About Us

We are a reputation-based practice with offices in Hanover, York, and Chambersburg. There is an opportunity to work with all age groups and to provide a variety of services, including psychological assessment and individual, family, and group psychotherapy. We offer a positive and supportive work environment, and we strive to provide the highest quality care and services.

Cognitive Health Solutions, LLC (CHS) is a behavioral health practice providing psychotherapy, consultation, and psychological evaluation services to children, adolescents, and adults. CHS has several outpatient practice locations, and we also offer direct service to schools, school districts, and other educational programs. Under the direction of Dr. Ray W. Christner, CEO, CHS strives to deliver the highest level of care, continuously pursuing excellence in psychology, education, and mental health. We are an equal employment opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, national origin, disability status, protected veteran status or any other characteristic protected by law.
